

6A SIC BOYS BASKETBALL

2025 SEASON SUMMARY

March 2025

Congratulations and thank you to the teams for your contribution to the on-going history of 6A (formerly 5A) Southern Idaho Conference Boys Basketball. The 2025 season marked the 42nd year of statistics keeping for the league.

The Idaho Highschool Activities Association reclassified all sports statewide this year with teams being grouped into six classifications. Generally, what was 5A last season became 6A; 4A last season became 5A, and so on. Classifications are based on school enrollment:

6A 1,400+ students	3A 349-175
5A 1,399-700	2A 174-90
4A 699-350	1A <90

The reclassification meant Middleton and Nampa dropped down to 5A and Ridgevue moved up to join the 6A ranks. The Pod format used for last season was eliminated for the 2025 season.

Congratulations to the repeat champs:

- **Regular Season** — **Owyhee** went undefeated in league play (11-0) and finished as the #1 seed in the conference tournament. Owyhee has lost only two regular season games to league opponents since it opened as a new school in 2022, going 11-1, 11-1, 12-0 and 11-0.
- **Conference Tournament** — **Owyhee** was the Conference Tournament Champion, beating #6 Boise 56-51 in the championship game.

Owyhee has been the Conference Tournament Champion every year since entering the league in 2022, beating a different opponent in each of the four years.

- **2022** Owyhee 71 – Eagle 49
- **2023** Owyhee 58 – Mountain View 51
- **2024** Owyhee 59 – Timberline 51
- **2025** Owyhee 56 – Boise 51

Statistically, in games against conference teams (counters & non-counters), **Capital** put the most potent offense on the court, scoring an average of 65.6 PPG while **Timberline** boasted the strongest defense, allowing only 46.6 PPG. But Owyhee's combination of a potent offense *and* a stringy defense couldn't be beat with a points differential of 18.8 PPG.

Three new **team records** were set in 2025:

- **Capital** recorded **196** made **3's** on **660** attempts for the season, both were new highs.
- **Capital** also shot **18/36 3's** vs Mountain Home to tie their for mark for 3's made in one game and in the same game, their first of the season, Capital set a new all-time record for **most points in a quarter**, putting up **46** points in the Q2.
- **Centennial** set a new record for Free Throw Percentage in a season, sinking **75.0%** of their free throws (216/288).

Individually, **two players** added their names to the top of the leaders lists this season.

- Centennial's **Henry Johnson** smashed the previous **conference Assist-to-Turnover Ratio** mark of 4.1, setting a new record of **5.5** (44 assists to 8 turnovers).
- Eagle's **Andrew Palfreyman** set a new record for **Steals/Game** in a **season** at **4.4 SPG**.

It is an honor, pleasure and privilege to be able to maintain the history of the league. I look forward to seeing everyone next season.

42-YEAR SIC BASKETBALL SUMMARY (1984–2025) TEAM AND INDIVIDUAL RECORDS

2025 additions highlighted

42 YEARS OF SIC CONFERENCE HISTORY

The **SIC** has been in a state of continual flux for the past 42 years. What the future may hold is anyone's guess. The one thing that has remained constant is the high level of competition.

The **Big Six**, which included Boise, Caldwell, Idaho Falls, Nampa, Twin Falls, and Pocatello, was the big school league in Southern Idaho until the fall of 1958. That is when Borah joined the league and it changed its name to the **Southern Idaho Conference (SIC)**. It grew to include Highland, Capital, Minico, Skyline, Mtn. Home, and Meridian. The SIC split into Eastern and Western divisions during the 1970's. Eventually, the Eastern schools left the conference to form their own league. Evidence of their past membership still exists in the All-Time Conference Records.
